Notes to the Financial Statements
For the Year Ended 30 June 2019

Note 1 Summary of Significant Accounting Policies

The financial report covers ACT Disability Aged & Carer Advocacy Service Inc (the association) as an individual entity. ACT Disability Aged & Carer Inc is a not-for-profit association incorporated in the Australian Capital Territory under the *Associations Incorporation Act 1991* and the *Australian Charities and Not-for-profits Commission Act 2012*.

The principal activities of the association for the year ended 30 June 2019 were promoting and protecting the rights of people with disabilities, of people who are ageing and of those who care for them.

Basis of Preparation

The financial statements are special purpose financial statements that have been prepared in order to satisfy the reporting requirements of the *Associations Incorporation Act 1991* and the *Australian Charities and Not-for-profits Commission Act 2012*. The board has determined the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The following significant accounting policies, which are consistent with the prior period unless otherwise stated, have been adopted at the preparation of these financial statements.

The amounts presented in the financial statements have been rounded to the nearest dollar.

Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is reconsidered as part of the cost acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is disclosed as operating activities.

Income Tax

The association is a non-profit organisation and is exempt from paying income tax under Division 50 of the *Income Tax Assessment Act 1997*.

Revenue

All revenue is stated net of the amount of goods and services tax (GST).

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

Note 1 Summary of Significant Accounting Policies (continued)

Revenue (Continued)

Government grants

A number of the association's programs are supported by grants received from the Commonwealth, state and local governments.

If conditions are attached to a grant which must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue is deferred until those conditions are satisfied.

Where a grant is received on the condition that specified services are delivered to the grantor, this is considered a reciprocal transaction. Revenue is recognised as services are performed and at year end a liability is recognised until the service is delivered.

Revenue from a non-reciprocal grant that is not subject to conditions is recognised when the association obtains control of the funds, economic benefits are probable and the amount can be measured reliably. Where a grant may be required to be repaid if certain conditions are not satisfied, a liability is recognised at year end to the extent that conditions remain unsatisfied.

Where the association receives a non-reciprocal contribution of an asset from a government or other party for no or nominal consideration, the asset is recognised at fair value and a corresponding amount of revenue is recognised.

Depreciation

The depreciable amount of all fixed assets, except for the Weston Community Hub Fitout (Straight Line), are depreciated on a diminishing value basis over the asset's useful life to the association commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

<u>Class of Fixed Asset</u>	<u>Depreciation Rate</u>
Computers	40%
Phone system	20%
Motor vehicles	22.5%
Air conditioning	20%
Weston Community Hub Fitout	20%
Leasehold improvements	5 to 20% or over its lease term

Employee benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee entitlements expected to be settled within one year, together with any entitlements arising from wages and salaries, annual leave and long service leave that will be settled after one year, have been measured at their nominal amounts.

Unexpended grants

The liability for deferred income is the unexpended amounts of grants received on the condition that specified services are delivered or conditions are fulfilled. These services are usually provided or the conditions are usually fulfilled within twelve months of receipt of the grant. Where the amount is received in respect of services to be provided over a period that exceeds twelve months after the reporting date or the conditions will only be satisfied more than twelve months after the reporting date, the liability is presented as non-current.

Independent Audit Report to the members of ACT Disability Aged & Carer Advocacy Services Incorporated

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of ACT Disability Aged & Carer Advocacy Services (the registered entity), which comprises the statement of financial position as at 30 June 2019, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the responsible entities' declaration.

In our opinion the financial report of ACT Disability Aged & Carer Advocacy Services Incorporated has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) Giving a true and fair view of the registered entity's financial position as at 30 June 2019 and of its financial performance for the year ended; and
- (ii) Complying with Australian Accounting Standards and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Responsible Entities for the Financial Report

The responsible entities of the registered entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as management determines is necessary to enable the preparation of the financial report that gives a true and fair view that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the registered entity or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the registered entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
